MARCH / APRIL Roman Calendar Notes (Continued)

- March 19 **Third Sunday of Lent** (The solemnity of St. Joseph, the Husband of Mary, is transferred from Sunday to Monday the 20th.)
- March 20 **St. Joseph Spouse of the Blessed Virgin Mary** – St. Joseph protected and cared for Mary and Jesus. - March 25 **The Annunciation of the Lord**
- March 26 **Fourth Sunday of Lent** As Jesus cures the blind man, so too are we brought from darkness into light through the grace of baptism.
- April 02 **Fifth Sunday of Lent** The second presentation to the elect is that of the Lord's Prayer, normally made during the week following the third scrutiny (RCIA, 178-184)
- April 06 **The Mass of Chrism** will be celebrated today (Thursday) at 2:00 by Bishop with his clergy. It is a sign of unity and communion of the priests with their bishop. Deacons of the diocese and the laity are also invited. The newly blessed holy oils are distributed to the individual parishes of the diocese.
- April 09 **Palm Sunday of the Passion of the Lord - The Beginning of Holy Week** Today the church celebrates Christ's entrance into Jerusalem to accomplish his paschal mystery. **HOLY WEEK** – Holy Week is the commemoration of Christ's passion, beginning with his Messianic entrance into Jerusalem. Holy Week climaxes in a three-day liturgy called Triduum. Children need to understand that participation in Lent culminates in their participation in the liturgies of the Sacred Triduum. They need to understand the significance of these three days – the most sacred days of our liturgical year.
- April 13 **Holy Thursday of the Lord's Supper** – Lent ends before Evening Prayer is celebrated. The Easter Triduum begins with the Evening Mass of the Lord's Supper, reaches its high point in the Easter Vigil and closes with the conclusion of Vespers on Easter Sunday. The Mass of the Lord's Supper is our entrance into the Triduum. The liturgy this evening recalls the Passover meal, the institution of the Eucharist and ministerial priesthood. We also participate in the foot washing.
- April 14 **Good Friday of the Passion of the Lord Beginning of Holy Week** – Good Friday is a day of fast and abstinence. After the reading of the Passion there is a more lengthy form of the General Intercessions. We venerate the Cross and we are nourished by Communion. It is the only day that no Mass is celebrated.
- April 15 **Holy Saturday The Easter Vigil in the Holy Night**
The Triduum reaches its high point in the Easter Vigil. All that we believe and celebrate are expressed in the proclaiming of the Good News of salvation history, the responses and the singing of the liturgy. At this "night of nights" we tell the stories of our roots, we rejoice, we process with lighted candles singing "The Light of Christ has come into the world." This is who we are and what we are to be: Paschal Christians living, dying, and rising daily with Christ. Those not baptized wishing initiation into the Church are baptized, confirmed, and celebrate their first Communion. Those wishing to enter into full communion with the Catholic Church who have been baptized make a profession of faith followed by confirmation and then receive their first communion.

MARCH 03 – FEAST OF KATHERINE DREXEL

Please be aware that the video [The Gift of Katherine Drexel](#) vc 12517 is available:

This is a dramatic film on the life of a dynamic American whose concern for the recognition and personal fulfillment of Native Americans and African Americans was far ahead of her time. St. Katharine Drexel (1858-1955) founded the order of Sisters of the Blessed Sacrament to serve the desperate need she saw in the South and on the Indian reservations of her day. The film provides a moving insight into the evolution of a religious vocation. St. Katharine Drexel became the second American-born saint during the canonization ceremony celebrated by Pope John Paul II on October 1, 2000. (JH-A 28 minutes)

AFTER THE NEW TESTAMENT: THE WRITINGS OF THE APOSTOLIC FATHERS - CD 52143 to CD 52154 The Great Courses 2005 A

At the very foundation of the Christian religion stand the writings of the New Testament, a collection of 27 books that represent the earliest surviving literary productions of the rapidly developing Church and that eventually came to be regarded as Sacred Scripture. The writings produced by Christians *after* the New Testament are also important, however, as they can reveal to us how Christianity changed, developed, and grew after the first Christian century had passed. The writings of the Apostolic Fathers date from early to mid 2nd century. There are 10 or 11 authors traditionally included in the collection of the Apostolic Fathers. The 12 Discs containing 24 30-minute lectures of this course are set up in "pairs", in which the first lecture discusses the writing of one of the Apostolic Fathers and the second deals with the broader implications of the writing for understanding key issues in the early history of Christianity.

The 12 Discs containing 24 30-minute lectures of this course offer a wealth of information about early Christianity, the diverse cultural understandings, and the overabundance of historical problems.

Herzman, deal with everything from Roman history to Christian controversies at the time of Augustine to the corpus of the writings of Augustine. The 24th lecture looks forward from antiquity to the 21st century, pointing out authors who have been influenced by Augustine from his time to ours. LECTIO: PETER: CORNERSTONE OF CATHOLICISM – UNDERSTANDING SCRIPTURE AND TRADITION –(Includes DV 62141 to DV 62145) Ignatius Press

Lectio: Peter is a five DVD program of ten sessions in which Dr. Tim Gray takes us on a journey into the life of one of history's most compelling characters. Bringing together biblical stories, historical knowledge, solid Church teaching, and personal insights, Dr. Gray gives a fresh perspective on the fisherman to whom Jesus entrusted his Church.

This first Disc includes **Session 1: Put out into the Deep:** The Making of an Apostle. The story of St. Peter begins with an ordinary act of trust, which would entirely change the ordinary course of Peter's life. Along the shore of the Sea of Galilee, Peter's brother Andrew introduced him to a traveling rabbi named Jesus of Nazareth. By deciding to follow Jesus Christ, an unknown fisherman would discover his call to become a fisher of men and become a key player in the story of salvation history. (46 minutes) and **Session 2: Capernaum:** Village of Coming Consolation. In

this session and teaching, Dr. Gray takes a closer look at the town of Capernaum, where Peter lived, and the larger area of where Jesus grew up and began his ministry. We'll discover the significance of that geographical area to Jesus' teaching and works, especially in light of the words of the prophet Isaiah. (47 minutes)

This second Disc includes **Session 3: Faith Not Fear:** Walking in Trust. Dr. Gray looks at four stories in Matthew's Gospel that highlight the conflict between faith and fear. Learn how to move out of fear and into deep faith. In each of these Passages, Jesus upbraids and challenges Peter and the Apostles with the words, "Oh men of little faith!" pushing them to grow in faith and deeper trust of him and of their heavenly Father. (33 minutes) and **Session 4: Peter the Rock:** The Primacy of Jesus. Jesus takes his Apostles to the northernmost area of the Holy Land to the town of Caesarea Philippi, and there asks them a question that will redirect the journey they've shared together thus far: "Who do you say that I am?" Peter's response, and Jesus' ensuing words to Peter, will bring about a deeper revelation of the identity and mission of both Peter and Jesus. (49 minutes).

This third disc includes **Session 5: Peter and the Keys:** The Primacy of the Church. The "keys of the kingdom" provide the key to understanding Peter's role in the Church founded upon him. The imagery of the keys goes back to the Old Testament and the office of the prime minister in the Davidic kingdom. Jesus is restoring and perfecting both the kingdom and its offices. (47 minutes) **Session 6: In the Shadow of the Galilean:** Peter's Rising Leadership. In this session, we journey with Peter from Galilee to Jerusalem. Dr. Gray continues to explore the inseparable relationship between the King and the kingdom, and how Peter acts as a bridge between the two. Peter's example encourages each of us to live as loyal subjects of the King and his kingdom. (48 minutes)

LECTIO: PETER: CORNERSTONE OF CATHOLICISM (Continued)

This fourth disc includes **Session 7: Discipleship at a Distance:** Peter and the Passion. In this session, we discover the importance of following Jesus closely, praying with him, and seeking his mercy as his disciples. In the tense Passion Narrative Peter is tested, and in his trial we learn how to persevere through our own arduous ordeals and follow Christ faithfully. **Session 8: Peter and Pentecost:** The Transforming Power of the Holy Spirit. Dr. Gray discusses the transforming power of the Holy Spirit, as seen in Peter's life starting at Pentecost. No longer do we see fear or questioning in Peter; instead he leads the Apostles and preaches to the Jews with a remarkable boldness that will characterize the rest of his life and ministry (47 minutes).

This fifth disc includes **Session 9: Peter bar Jonah:** How Peter Came to Rome. We continue to dive deeper into Peter's ministry as we explore Peter's relationship with a man named Cornelius. As Peter continues his journey to share the good news of Christ, God once again reveals his plan in the New Covenant. We also discover how this gift of grace crosses traditional lines that separate people and cultures. (51 minutes) **Session 10: "Quo Vadis?":** Peter's Way of the Cross. In this session, Dr. Gray discusses the importance of early Christian tradition in understanding our Catholic story, the cost of discipleship, and the role of Peter as shepherd and prophet. How can we use this knowledge of the early Church to regain our own story? (51 minutes) This program includes one Leader's Resource Guide and one Study Guide. Additional guides may be purchased through Ignatius Press at 1-888-615-3186 or www.ignatius.com

TRUE BEAUTY: FEMININITY AND CHASTITY FOR YOUNG WOMEN

(Includes DV 62146 to DV 62149) Ignatius Press

True Beauty contains four unique and dynamic studies centered on the theme of femininity and chastity for young women. Each study is 75-90 minutes in length with a user-friendly, clear, and convenient format. Men and women differ in nature and the devil uses those differences to tempt them into sin. A woman can be tempted to think that she needs to find the perfect man to fill that empty place she feels in her heart. In **Study 1: The Heart of A Woman**, Lisa Cotter, a national youth and young adult speaker, will discuss the nature of a woman's heart. She will also discuss how this nature differs from that of a man's heart, and how a relationship with God keeps young women on the right track when they find themselves attracted to or in a relationship with a young man. In **Study 2: Passion and Purity**, Mary Bieslski, founder of ALL4HIM Ministries, will show young women how the world lures them into lies and false messages about sex, and that God has an amazing plan for their sexuality. In **Study 3: Broken, Healed, and Holy**, Crystalina Evert, international speaker and author, will teach that God wants to surround them with His grace, forgiveness, and love. Teens will learn that regardless of what's in their past, God is bigger than any situation. He wants to lead them into a new and fresh start. In **Study 4: Sisterhood**, Sarah Swafford, founder of Emotion a Virtue Ministries and national speaker, unpacks the meaning of true sisterhood through her personal story, biblical exploration, and thought-provoking questions. True sisterhood allows a young woman to be the person Christ wants her to be, and allows that person to shine brightly from the inside out. Additional Leader Guides, and Study Guides are available through Ignatius Press at www.ignatius.com or phone 1-888-615-3186.

TRUE STRENGTH: MASCULINITY AND CHASTITY FOR YOUNG MEN

DV 62150 to DV 62153) Ignatius Press

True Strength contains four unique and dynamic studies centered on the theme of masculinity and chastity for young men. Each study is 75 – 90 minutes in length with a user-friendly, clear, and convenient format. Our world today is obsessed with outward signs of achievement. From magazines and music to movies and social media, a man's success and strength are often correlated with how much money he has, how famous he is, how athletic he is, and how much sex he has. For teenage boys, the idea that there may be another way to be a real man is rarely, if ever, presented. Deep down, young men want to be strong, capable, and responsible and find loving and giving relationships. They want to be admired for who they are and not what they possess. In short, they want to be great. Sadly, many young men haven't had someone teach them how to achieve that goal they desire. It's time our young men learn how real men live. Based in biblical teaching and godly principles, this study will help them become not just adults, but real men...

men of greatness. In **Study 1: The Heart of a Man**, Chris Stefanick, founder and President of Real Life Catholic, is the speaker. God calls men to be something more than a big deal. He calls them to greatness.

In this study, Chris teaches about the four marks of a man of greatness, saints who were soldiers, the virtues of knighthood, and how to gain real spiritual freedom. What does it mean to be a real man?

Popular culture doesn't offer very many good examples. The sources of inspiration found there can be powerfully attractive for men; business moguls, star athletes, and fashionable men to be imitated. After all, these guys are a big deal. In **Study 2: Strength & Discipline**, Jason Evert, international speaker and author, teaches why only the chaste man is truly capable of love and how to live out chastity in daily life.

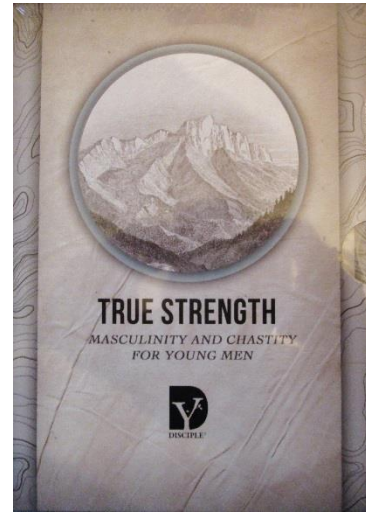

To cap off the study, Jason provides a 10-point game plan that will get your teens started on the road to living a pure life. The world bombards men every day with its counterfeit messages about love and sexuality. Men are told women should be conquered and used, marriage and fatherhood are a burden to avoid, and pornography is just normal "guy stuff." To counter this distorted view, the Church affirms chastity, a virtue that expresses, trains, and frees men to love in a noble way – to love like Christ.

In **Study 3: Every Man's Battle**, Matthew Fradd, a staff apologist with Catholic Answers and international speaker, teaches young men how to become stronger and healthier through the sacraments, prayer, fasting, and accountable relationships with brothers. The porn industry finds its way into every medium teens touch – movies, the internet, cell phones, television, and games. Pornography captures the hearts of many young men, leaving them wrestling with addiction as degrading images preoccupy their minds. Though lust is a relentless and ruthless foe, victory is available by the power of God's grace to every man in this battle.

In **Study 4: Band of Brothers**, Scott Powell, Director of Scriptural Theology at the Aquinas Institute for Catholic Thought, will teach young men what brotherhood is all about by looking at the friendship of King David and Jonathan in Scripture. He will teach that a key part of discipleship is to grow in our relationship with Jesus by growing in our relationship with one another. "Band of Brothers" is about what it means to be brothers in Christ. Friendship is a way God uses to make two people better than they ever could have been alone. Friends can be people who stand up for us, defend us, and help us to be. Friendship allows you the freedom to be yourself.
